The Summary of Benefits tells you more about our Devoted Health Prime Greater Tampa Bay (HMO) plan, like some of your costs and some of the services we pay for. Devoted Health offers Medicare Advantage HMO plans with a Medicare contract. Enrollment in the Plan depends on contract renewal.

Just give us a call at 1-800-385-0916 (TTY 711) and ask for one. You can also find it online at www.devoted.com.

This Summary of Benefits is for plans that run from January 1, 2020 to December 31, 2020.

To join Devoted Health Prime Greater Tampa Bay (HMO), you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area. Our service area for this plan includes these counties: Polk, Hillsborough, Pinellas. We offer additional plans in other counties.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call Member Services at 1-800-385-0916 (TTY 711).

Understanding the Benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit www.devoted.com or call 1-800-385-0916 (TTY 711) to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2021.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

Medicare beneficiaries who receive assistance from Medicaid or the state-sponsored Qualified Medicare Beneficiary program may pay nothing for Medicare-covered services. You must meet certain income and resource conditions to be eligible.

If you reside in a long term care facility, you pay the same as at a standard retail pharmacy.

Coverage Gap or "Donut Hole"

Most Medicare drug plans have a Coverage Gap or "donut hole." This means that there is a temporary change in what you will pay for your drugs. The Coverage Gap begins after the total yearly drug costs (including what Devoted Health has paid and what you have paid) reaches \$4,020. Please note that not everyone will enter the Coverage Gap. For the 2020 plan year, while in the coverage gap, you will pay 25% of the total cost for drugs until you reach \$6,350 total out-of-pocket.
